ALFRED Good idea! Some choreography!

OLGA Some cori- what?

TK-04 **01:19**

MILO She means some exercises to help me get the feeling back in my poor leg. Do you think I might have sprained my ankle, Mumu?

MUMU What is wrong with you all? I said cho-re-o-graphy, I didn't say physiotherapy.

OWL Many an... Many... Many animal habitats have been destroyed.

MILO What's a habitat?

ALFRED It's the place where a particular animal lives.

MILO Ah! Like in caves, or in nests, or burrows... you mean their homes.

ALFRED Well, yes. It's the place where they make their homes, for example, Polar Bears make their homes in the Arctic.

OLGA So the Arctic is their habitat?

TK-13 **05:44**

ALFRED Correct. Camels live in the desert.

OLGA So the desert is their habitat

OWL The monkeys of Amazonia are also in great danger. (OFF) The forest has been chopped down, and their water is polluted, so the monkeys have nowhere to live.

RITA Oh!

MILO We should do something!

OLGA Poor little monkeys.

MUMU We never do anything for other people. And now we've got a chance to make a difference!

RITA I help the moles to get across the road. And I give the frogs lozenges for their throats...

MUMU That's great, but this is something much bigger, an important mission: saving lives!

MILO (OFF) Mumu...

MUMU (G)

MILO What can we do?

OLGA Brazil's on the other side of the ocean!

TK-16 **07:07**

RITA Aaaahh!

MUMU Olga, are you ready to go?

OLGA But.. are you sure you want me to come with you?

MUMU How could you doubt it?

TK-17 **07:36**

OLGA Since I couldn't do a jump off the slide, I thought maybe I...

MUMU It was because you were scared. Are you scared of going to save those little monkeys?

OLGA No! I want to help them too!

OLGA We came here to try and help the monkeys who are in danger.

MONKEY We don't have anything to drink.

MUMU We have to save the **Coloritos** and the rainbow!

RITA We can do it!

TK-55 **29:23**

MILO If we had some paint...

ALFRED We could make our own colors to paint the rainbow!

COLORITOS (ADLIBS > 29:38) Yes! Yes! Yippee! Whoopee! Wow! Hooray! They're going to help us!

MUMU Then what are we waiting for! Let's make some colors!

TK-56 **29:44**

MUMU/RITA/MILO/ALFRED (32:43) (GS)

MUMU (32:48) (OFF) What beautiful colors!

RITA Aren't they pretty!

MILO The paint we made worked!

MUMU The **Coloritos** have got their colors back again!

COLORITOS (33:04) Oooh! (OFF) Oooh noooo!

MUMU/RITA/MILO/ALFRED (33:07) Ooooooh!

MUMU What's happening to the colors? (OFF) The paint's running!
(ON) What a disaster!

TK-59 33:30

COLORITOS (GS)

MILO (33:44) Well, as our good friend Olga would say: what are we going to do now?

RITA I don't know. I've run out of ideas!

MUMU (G) Look! A miniature rainbow!

ALFRED (33:57) (OFF/ON) Yes, Mumu, the light of sun / contains all the other colors. And a single drop of water can make them shine. Look. (G)

MUMU / MILO / RITA / COLORITOS Oooooooooohhh!

MUMU I don't understand it, but it's amazing!

ALFRED That's the reason why, if the sun shines when it's raining, we see a rainbow in the sky.

TK-60 34:30

CRIMSON It's almost like magic!

COLORITOS (GS)

RITA (OFF) It's like a diamond! (ON) If only we had lots and lots of diamonds!

BIG FEATHER We have heaps of them, we use them to make the rainbow brighter and more colorful. / Come and see, I'll show you how many we have! / AH!! / No! All our diamonds have been stolen!!

MILO (G)

TK-61 34:48

ALFRED That must be the reason why they all look so pale.

MILO (P) (G) / Then that's settled! We'll find the diamonds, bring them back here, and we'll save the rainbow!

MUMU This shouldn't be too hard. Who would steal your diamonds?

BIG FEATHER Oh! Oooh! (OFF) Aah! (ON) It must have been the Shadows! They have no light of their own.

RITA Ooooh! You're making my spots stand on end!

MILO Are they really bad?

RED No, they're not bad, but they're always doing things that make our lives difficult.

TK-62 35:24

BIG FEATHER We Coloritos / are the sum of all the different colors, in other words, we're made of Light.

RED They have lost their light, and their color, and that's why they're envious of us.

RITA (GS)

MUMU If we're going to do this quickly and effectively, we need a plan of attack! (GS) We'll wait until it gets dark, then we'll go sneaking into their village (G) / and we'll take back the diamonds without them even noticing!

RITA (P) (G) / (35:50) (G) Poor little guys. You know, I think I'd be envious too, if I wasn't so nice and colorful.

TK-63 35:58

MUMU Nice and colorful? Nice and colorful? Of course! / (G) Why didn't we think of that before! That's exactly what these Shadows need! Some bright cheerful colors, just like ours! (G) I have a plan

OLGA (36:17) Ah!

TK-64 36:17

OLGA Ah! / Quick you two, we have to run! All the trees are falling down! / (GS)

MONKEY /MONITA (GS)

MONITA Quick, let's find somewhere safer!

OLGA (GS)

MONITA (DE) Over here! / (G)

OLGA But - what's going on? There are fallen trees all over the jungle.

MONITA Somebody must be cutting them all down.

MONKEY Who would be so horrible as to cut down the poor old trees?

OLGA I don't know, but we have to get out of here right away!

TK-65 **37:06**

MUMU **(GS)**

ALFRED By the way, how are we going to get inside the village of the Shadows?

RED Well the Shadows have set up all kinds of alarms and security systems. Plus which, to reach the village of the Shadows, we have to walk through a narrow canyon, which they always keep watch on, from above.

RITA Ah! In that case the solution is to camouflage ourselves, right? Like soldiers.

MILO That's a great idea, Rita!

TK-66 **38:11**

ALFRED I hope it's not too much further, all this mud we're covered in is starting to get into my eyes. / (G)

TALALO Tweet, tweet, tweet!

MUMU Talalo! It's you!! Are you OK?

ALFRED (P) (G)

TALALO Tweet, tweet!

MILO But wait... where's Olga? Did you find her?

TALALO Tweet-tweet, tweet!

RITA She's safe, and she's with a boy monkey and a girl monkey??

TK-67 **38:25**

MILO Are you sure that she's safe, Talalo?

TALALO Tweet!

MUMU That's great! / In that case Shhhhhhh quiet everybody, we're on a mission! (38:53) (G)

MILO What's that sound?

RITA Sorry, it's my stomach. I'm starving hungry!

MUMU Shhhhhhh...

MILO **(39:16)** Rita, that can't be your stomach.

Tk-68 **39:20**

RITA I can't get it to sto - oh!

ALFRED Good heavens, it looks as though it's raining stones.

MUMU Everybody take cover! We're under attack!

ALFRED/RED/MILO/RITA (GS > 39:52)

MUMU (P) (GS) / (39:44) Quick guys! Follow me! We have to find shelter!

ALFRED/MILO (GS)

MUMU **(40:06)** Over here, guys, come on!

RITA/ALFRED/MILO (GS)

TK-69 40:17

RED I can't go on! All my color has gone, I'm fading!

RITA (OFF) (GS)

MILO We're not going to leave you here on your own.

RED Go on without me. I'll wait here until you come back with the diamonds.

TALALO Tweet, tweet, tweet!

MUMU OK, Talalo, you stay and stand guard. Make sure nothing happens to him.

ALFRED (G)

RITA (G)

MILO (40:42) We'll be back soon, OK?

RED (GS) / (G)

TALALO (G)

TK-70 41:01

MONKEY (G) Can you smell that strange smell?

MONITA It's coming from over there.

OLGA I don't get it - this is really weird? (OFF) The river is all full of horrible stuff.

MONITA That's why we get a stomach ache when we drink it.

OLGA Right. And when you get up close the smell is terrible.

MONITA/MONKEY (GS)

OLGA So what's making the water so dirty?

MONKEY There's black gunk coming out of that pipe.

TK-71 **41:31**

OLGA (GS) / We have to find the person who's polluting the river!

(DE) Come on guys, let's get going.

MONITA (DE) Yes, let's go.

MONITA/OLGA/MONKEY (41.48) Ahhh!! / Ahhh!

OLGA Hey! ... What's going on? / Help! You have to help us!

MONITA Olga, big brother! Don't be scared, I'll go and get help!

TK-72 **42:14**

ALFRED/RITA/MUMU/MILO (GS) / Wow! Oh! (42:59) (GS) / (42:41) (Gs)

MUMU (42:49) (G)

ALFRED/RITA/MUMU/MILO (Gs) (> **43:11**)

MUMU (43:15) Oh! / Aahhh!

SHADOW GUARD 2 Aaahhh!

SHADOW GUARD 1 Aaaaah!

RITA, ALFRED Aaaaah!

TK-73 43:20

SHADOW GUARD 1 Silence! Who are you, and why are you hanging round our village?

MUMU (GS) That's not a very nice way to greet your own family!

RITA What kind of welcome is that?

ALFRED And to think that we brought you a box of delicious cakes as a present!

SHADOW GUARD 2 Mmmmmm... / Are they chocolate?

ALFRED Mmmmm...

SHADOW GUARD 1 Who are you?

MILO You mean... you don't recognize us? We're your **Shadowcousins**, and we live on the other side of the river.

TK-74 43:53

MUMU We wanted to come and have lunch with you, but we got lost on the way, and now it's really late.

RITA We're all absolutely starving hungry, cousins!!

SHADOW GUARD 2 Look at the poor guys, they look like they've had a bad day.

RITA Poor little me, I need something yummy, to fill up my tummy.

SHADOW GUARD 1 Well alright, OK, you can come in.

ALFRED/MUMU/MILO/RITA (GS)

ALFRED (44:35) Here we go, everyone.

TK-75 44:41

SHADOW GUARD 1 (OFF) Come in, **Shadowcousins**. / (ON) This way, follow us.

MILO (OFF) What a weird place!

RITA / ALFRED (OFF) (GS)

SHADOW GUARD 1 These are the caves that we live in.

MUMU They're cool!

ALFRED (GS) / Interesting building methods. **They remind me of the adobe houses in New Mexico.**

TK-76 45:08

SHADOW GUARD 1 Over there you'll see our theater. It's where we put on all kinds of shows, and plays about shadows and darkness.

WOMAN SINGING (P) (OFF) La la la!

SMUDGE (45:22) Hello, my name is Smudge, and I'm so dark and shadowy that when I fell in a cup of black coffee no one could find me!

MATT I'm a colorless spot. And when I say colorless, I mean colorless, like totally colorless, in fact the other day, (OFF) a chameleon tried to imitate me, but he couldn't even see me.

SHADOW IN AUDIENCE (G)

TK-77 **45:38**

RITA (G)

SHADOW GUARD 1/2 (GS/R)

MUMU Rita! How could you! That smells of rotten eggs!

MUMU (G)

MILO / ALFRED / SHADOW GUARD 1&2 / MUMU Shhhhhhh

SHADOW GUARD 1&2 (R)

ASH I got a riddle for you: You can never catch me, however fast you stride. But whenever you stop, I stop too, I'm always at your side. What am I?

TK-78 **46:04**

SHADOWS IN AUDIENCE (G)

RITA That's easy peasy. A shadow!

SHADOWS IN AUDIENCE (G)

RITA Ooh - I'm sorry!

MILO (46:11) (R) (G) / What's that?

MUMU/ALFRED (GS)

SHADOW GUARD 1 That's a factory!

MILO What for?

TK-79 46:22

SHADOW GUARD 1 No more asking questions! Let's go get some food!

MUMU (G) / All that black smoke is going straight up into the sky.

MILO Right, that's why the sky is turning black and making the Coloritos sick.

ALFRED Yes, I think you're right, Milo.

SHADOW GUARD 1 (47:04) (OFF) Great Shadow!

GREAT SHADOW (G)

SHADOW GUARD 1 The Shadowcousin family is here, from the other side of the river.

GREAT SHADOW Oh, it's wonderful to see you! Come on, sit down at the table, we were just about to have supper.

TK-80 47:16

RITA At last, something to eat! I'm sooooo hungry!

ALFRED (G)

MILO (G) Wow!

TK-81 47:47

RITA Oooh! Hmmm... Yeuch! Ew! That's so gross!

MILO Bleuch! There's no way I can eat that!

ALFRED You have to make an effort. There are tribes who'll cut off your head if you refuse to eat their food.

RITA Do you think they would?

MUMU (G)

GREAT SHADOW (GS)

SHADOW DINERS (GS > 48:25)

MUMU Tip it on the floor, under the table, they're too busy to notice.

TK-82 48:26

GREAT SHADOW (GS)

MILO (GS)

WORM (G / R)

SHADOW WAITER (GS)

MILO Nooo, really, there's no need...

GREAT SHADOW I insist. And make sure he wipes off all the mess.

RITA That is so disgusting!

SHADOW WAITER (49:23) Coming up...

MILO (GS)

TK-84 **49:33**

GREAT SHADOW Ohhhhh!

SHADOW (M) / SHADOW (F) Ohhhh!

Shadowcousins.

GREAT SHADOW Oh!

SHADOW (M) / SHADOW (F) Ohhhh!

TK-85 **49:53**

GREAT SHADOW In that case, what are you? **Coloritos?**

MUMU No, we are called the Happets, and we live a long, long way
from here.

GREAT SHADOW And ...what brings you here, from such a faraway land.

RITA We've come to help the **Coloritos!**

MUMU They're all getting sick and losing their colors!

GREAT SHADOW Help the **Coloritos?** Are you joking? Impossible!

TK-86 **50:13**

SHADOW WAITER They're our sworn enemies!

MILO But... what did the **Coloritos** ever do to you? Why do you hate them so much?

SHADOW WAITER Because they have lovely bright colors, and we don't!

MUMU You're just envious of them...

RITA Yes, and you're mean and nasty too!

GREAT SHADOW Whaaaaaat? This is an outrage... Throw them the cooking pot! Immediately, do you hear?

TK-87 **50:40**

MUMU/ALFRED/RITA/MILO (GS)

OLGA Ooooooh! Pssst!

MUMU Hello, Olga! We thought that we'd lost you. You're not going to believe this: we saw a rainbow close up, and the **Coloritos** who make them!

MILO So now we have to help them. They were all fading, so we painted them.

RITA But it rained and all the paint got washed off.

MILO Now we need to get their diamonds back ...

SHADOW GUARDS (GS)

TK-88 **51:05**

MILO/RITA/ALFRED/MUMU Aahh... Ohhh... / Yeuch!

SHADOW GUARD 2 Argggggh...

OLGA (GS)

MUMU Oh! There's a monkey in the soup!

MONKEY Hello!

TK-90 **51:46**

RITA/MILO (GS)

OLGA He's my friend, I'm helping him to find out why the river is so dirty. It's because the Shadow's factory is creating so much pollution!

RITA (GS)

TK-91 52:00

SHADOW WAITER Huh? / I wonder what this can be... (GS > 52:20)

GREAT SHADOW (52:21) (G)

SHADOW (F) (52:53) What's he wearing?

SHADOW (M) He looks like a **Colorito!**

GREAT SHADOW What's wrong with you? Why are you all staring at me like that?

SHADOW GIRL He looks really handsome, I think it's cool and love how bright and shiny it is.

GREAT SHADOW Bright? Shiny? Like a bright shiny thing?

SHADOWS (GS)

SMUDGE **(OFF)** Mind your backs, let me through!

SMUDGE (P) Hey take it easy, people. There's plenty for everyone. We'll share them out fairly. No need to push. I'm going to have this one. Oh... it's fantastic, I'm going to try it on right this minute.

TK-94 **53:35**

RITA What's all that noise? It sounds like they're laughing.

ALFRED They're celebrating because for once they don't have to eat beetles. At least we'll all be together when the Shadows eat us for supper.

MUMU They'll serve us up on great big trays, next to those horrible slimy worms...

ALFRED I don't think we're going to get out of this one.

OLGA Ohhh... Hmmm...

MUMU (GS)

MILO Olga what are you waiting for? See if you can turn off the machine!

OLGA (GS) Oh! (DE) Now I know who's been cutting down all the trees!

OLGA (01:06) Great Chieftain of the Shadows, we need to talk with you, about a matter of life and death.

GREAT SHADOW What could be that important?

OLGA Great Chieftain, the monkeys and all the other animals in the jungle are in danger.

GREAT SHADOW And what has that got to do with us?

TK-104 01:22

OLGA You've been polluting the river with your factory! And you've been cutting down all of the trees in the jungle!

GREAT SHADOW Well... yes. / You're right.

MONITA (P) (GS)

MONKEY And why are you doing it?

GREAT SHADOW Because we hate the river.

MILO But why?

TK-105 **01:50**

OLGA Well now you need a nice clean mirror, so you can look at yourselves and see how bright and cheerful you look!
