FROZEN SILENCE

Two investigators looking for a serial killer in the worst crime scene: war.

A Battalion of the Spanish "Blue Division" runs into a desolated landscape; a Cavalry Squadron frozen to death in a lake, their bodies still riding their horses. All but for one. His corpse lies on the ice; his throat slit. Engraved in blood on his shoulder reads "Watch out, God is Watching You". Soldier Arturo Andrade, a former police inspector, is assigned to the case. He proceeds methodically with the investigation with the aid of Sergeant Estrada. The clues lead them to conclusions of a perverse vengeance. Everyone is under suspicion, more than 18.000 people stuck in the cruel war. They are facing a serial killer who is a hunter in the snow.
